# KARAYA

LIVING

CRAFTED BY NATURE, PERFECTED BY HANDS

*"Wood carries the memory of nature;*
*craftsmanship gives it a place in our lives.*

# 01 About Karaya Living

KARAYA
LIVING

Karaya Living is an Indonesian homeware brand that celebrates the beauty of natural wood and the art of traditional craftsmanship.

We create premium wooden kitchenware and tableware, blending local heritage with contemporary design to bring timeless, thoughtfully crafted pieces into homes around the world.

# 02 Our Purpose

## OUR VISION

To bring the beauty and authenticity of Indonesian artisanal craftsmanship to the world.

## OUR MISSION

To create premium wooden kitchenware and tableware that unite natural materials, traditional craftsmanship, and contemporary design—bringing thoughtfully crafted pieces to homes locally and internationally.

# 04 Karaya Values

### *LOCAL CRAFTMANSHIP*

Honoring skills and traditions passed through generations.

### *NATURAL*

Celebrating the authentic character of natural wood.

### *QUALITY*

Prioritizing durability, function, and finishing.

### *ETHICAL*

Respecting artisans, materials, and traditions.

# 05 Our Collections

KARAYA LIVING

## *The Beauty of Wood*

Karaya Living offers a range of wooden kitchenware and tableware crafted from carefully selected teak, mahogany, and trembesi (suar) wood. Each material is thoughtfully chosen for its distinctive character, natural beauty, and suitability for everyday use. Our wood undergoes proper drying processes to help ensure stability and product quality.

Explore our collection below, featuring thoughtfully designed pieces that blend natural materials with functional design. We also offer customization options to meet your specific needs, including product designs, sizes, shapes, and specifications.

# 06 Why Choose Us

**AUTHENTIC INDONESIAN CRAFTSMANSHIP**

Every piece reflects the care, experience, and human touch behind its making, celebrating the skills of local artisans and the handcrafted traditions passed down through generations

**NATURAL MATERIALS**

The unique grain, texture, and character of natural wood are complemented by non-chemical finishes, with careful consideration given to the suitability of each material for its intended use.

**TIMELESS DESIGN**

From material selection to finishing, we prioritize durability, functionality, and visual consistency to create thoughtfully crafted pieces designed for everyday use.

**MODIFY AS NEEDED**

Customization options are very welcome to help bring your ideas to life from product designs, shapes, and sizes to specific details and finishing touches.
